**Re: EnviroSAFE Services of Ohio, Inc.
EPA Identification Number: OHD 045 243 706
December 2019 Progress Report**

Dear Mr. Terpinski:

In accordance with Condition E.13 of its Ohio Hazardous Waste Facility Installation and Operation Permit (the "Permit"), EnviroSAFE Services of Ohio, Inc. ("ESOI") hereby submits this progress report to the Ohio Environmental Protection Agency ("Ohio EPA") for the period beginning December 1, 2019 and ending December 31, 2019.

Corrective Measures Implementation ("CMI"):

Project Activities:

During this reporting period, CMI activities included the following:

1. Continued construction for replacement of AOC 3 (Building C);
2. Notification from USACE that relocation of waste on the north side of SWMU 6 will not require a wetlands permit; a formal letter will be forthcoming;
3. Rental of equipment for SWMU 8 sheet pile preparation;
4. Issuance of purchase order for CMI engineering specifications development, monitoring, and certification; and
5. Installation of a concrete pad near NRP-31 on SWMU 5 for the Solar Sipper System.

Summary of All CMI-Related Contacts with the Public:

ESOI has not had any related contacts with the public during this reporting period.

Summary of Potential or Encountered Problems and Rectification Actions:

There is nothing to report in association with this topic for this reporting period.

Projected Work:

During the next reporting period it is anticipated that the following activities will occur:

1. Continued construction for replacement of AOC 3 (Building C);
2. Issuance of purchase order for the SWMU 5 LNAPL Solar Sipper System;
3. Initiation of sheet pile installation at SWMU 8 pending contractor/equipment availability and weather conditions;
4. Removal and closure of tanks and utility vaults at SWMU 8 pending installation of sheet pile; and
5. Resume operation and maintenance of the leachate extraction systems on SWMUs 5, 6, and 7 when the temperature is routinely above 32 degrees Fahrenheit and wells are accessible for maintenance.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

If you have any questions, please do not hesitate to contact Stephen DeLussa at (215) 659-2001 ext. 15.

Sincerely,

Douglas E. Roberts
President
